This seven-session course is designed to help rural churches explore the HeartEdge principles developed by Sam Wells: Compassion, Culture, Commerce, and Congregation.

It begins with an introduction to the foundational concept of abundance, encouraging participants to move beyond a mindset of scarcity and embrace God's overflowing grace. Each session focuses on one of the four 'C's, offering biblical reflections, practical examples, and open discussions to inspire creative approaches to ministry.

Customarily the Benefice have a stall with crafts etc. at this event. If you can help at all on the Saturday please let the office know the times you could be available so that we can put a rota of helpers together.
